ABOUT

THE SLEEP COMPANY

Revolutionising Comfort with
India's 1st & Only SmartGRID[®] Technology

The Sleep Company began in 2019 with a vision to revolutionise the way Indian's sleep and sit. With the innovation of SmartGRID[®] Technology we brought about the biggest disruption in the sleep industry.

2500+ AIR CHANNELS

BENEFITS OF SMARTGRID[®] TECHNOLOGY

Retains Its Shape

Adapts to pressure and bounces back to its original shape, even after years of use.

Excellent Durability

Made of quality hyper-elastic polymers, SmartGRID[®] Technology will take you through many years.

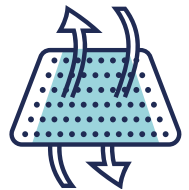

Non Toxic & Hypoallergenic

Made of food-grade polymers, it has non volatile organic compounds for your safety & hygiene.

Optimal Breathability

The grid design features 2500+ air channels to promote optimal air circulation, releasing moisture and body heat effectively.

Highly Elastic & Adaptive

With impeccable stretch, SmartGRID[®] Technology maintains flexibility without sagging under the body's weight.

It supports your lower back, and cradles pressure points for excellent relief.

WHY CHOOSE US?

We take pride in designing products made from the finest quality raw materials. Our luxurious comfort products are thoughtfully made to enhance your space's aesthetic and backed by a comprehensive warranty to ensure ultimate satisfaction.

OUR INFRASTRUCTURE

Equipped with cutting-edge technology and efficient logistics, our fulfillment centers are in Bhiwandi and Bangalore.

CO-FOUNDERS

Meet our visionary co-founders, **Priyanka and Harshil Salot**, whose personal journey to find a comfortable mattress in parenthood led to the birth of The Sleep Company.

They explored the globe, consulted sleep experts, and discovered SmartGRID® technology with Dr. AK Tripathi, a retired DRDO Scientist to help people sleep peacefully.

OUR EXPERIENCE CENTRES

In just 6 years, The Sleep Company has opened more than 190+ stores in 45+ cities across India.

BENEFITS OF SMARTGRID® MATTRESSES

Designed to provide a balance of comfort and support, our mattresses are scientifically engineered to support your back and relieve pressure.

Our special Orthopedic Mattress range is certified by **AIHA (All India Health Association)** for enhanced orthopedic benefits and back pain relief.
